

ZACH BLAN

Zach Blan was a FOCCA student who passed away in 2011 at the age of 13.

He had a rare form of cancer, but he never let the chemotherapy side effects stop him from attending classes and playing on the school's basketball team.

His #9 jersey was retired after his passing and now hangs in the gym as a reminder of his enthusiastic spirit and perseverance. His memory lives on through his family and in our community. We would love for you to join us for a day of fellowship playing golf in remembrance of Zach.
